The PIO vide its response dated 07.01.2021 furnished the information except those relating to payment details and NOC from Civil Aviation department.

The First Appeal was filed on 11.02.2021 as all the information was not provided. First Appellate Authority did not take up the case for its disposal for the reasons best known to him. Hence, a Second Appeal before this commission.

During the course of hearing on 24.09.2021 the Appellant Submitted before the commission that the PIO cannot deny information which is permissible under the law and requested the commission to direct the PIO to furnish the remaining information about payment details and NOC. Shri Y.Nyorak, AE-cum-APIO, stated that all the information available with the department had already been furnished. He, however, informed that he was ready to furnish details of the payment and the NOC, if the Appellant agrees to receive the same information but sought time for verification of the information so furnished. The commission allowed the request of the Appellant and directed him to report to the commission in case he finds any deficiencies in the information before next hearing.

The case was also heard on 22.10.2021. The Appellant who was attending the hearing stated that information furnished by the PIO is incomplete and requested the commission to direct the PIO to furnish complete and correct information. A written submission dated 01.10.2021 was also received from the Appellant, wherein it was alleged that the information relating to NIT and details of payments furnished by the PIO was incorrect and incomplete.

The commission after considering the submissions made by the appellant and perusing of records, directed the PIO to furnish the following information.

Today is 4<sup>th</sup> hearing of the case. The PIO is again absent. The Appellant who is present during the hearing, stated that PIO has not furnished the remaining information.

After hearing the appellant and perusal of records, the commission observes that the PIO has failed to comply with the commission order dated 22.10.2021 and 05.11.2021. The commission takes a very strong exception of non-attendance of the PIO during the hearing and also non-compliance of the above mentioned direction of the commission.
