ORDER

The appellant vide his RTI application dated 31.01.2022 sought information on 31 points as contained therein.

The PIO did not provide any reply to the appellant in response to the present RTI application. The appellant then filed a first appeal. The FAA by his letter dated 08.03.2022 requested the PIO to furnish the information to the appellant at earliest possible. The appellant, thereafter, filed a second appeal before the commission with a request to provide complete information.

The PIO is absent. The appellant appears before the commission.

This commission after hearing the submission made by the appellant observes that the Notice of Hearing dated 09.05.2022 was sent to the PIO 20 days before the date of hearing. Further a message was sent to his official address on 10.05.2022 informing him of the date and time of hearing. And in the said order dated 09.05.2022, it was clearly informed to the PIO that the matter shall be heard and decided ex-parte if he decides to remain absent during the hearing. Accordingly, the appeal is heard and decided to-day.

I have heard the appellant.

During the course of hearing, the appellant states that he has not received any response from the PIO.

After hearing the appellant and perusal of record, this commission directs the PIO to provide complete and correct information to the appellant within 20 days from the receipt of this order.

With the above direction, matter is again posted on August 12th, 2022.

The PIO is directed to be present during the hearing on the above mentioned date.

Copy of this order may be supplied to the parties free of cost.
