The PIO-Cum-DLRSO, O/o the District Land
Revenue & Settlement Officer, Yupia,
P/Pare District A.P. **Pin Code: 791110.**

Respondent

Date of hearing: 16.09.2022

ORDER

The appellant vide his RTI application dated 22.02.2022 sought information on 06 points as contained therein.

The PIO did not provide any reply to the appellant in response to the present RTI application. The appellant then filed a first appeal. The FAA also did not response to the appeal. The appellant thereafter, filed a second appeal before the commission with a request to provide complete information.

The appellant appears before the commission in person. The appellant submits that he has not received any response from the PIO though he had personally approach the PIO and FAA. The PIO is not present to plead his case.

The commission after hearing the submission of the appellant observes that the PIO remains absent to-day despite service of hearing notice well in advance. No communication has been received from the PIO intimating the reason for his absence during the hearing. In view of the above it is not considered desirable to postpone the hearing and the matter is heard today in the absence of the PIO.

From the perusal of relevant records, it appears that the PIO has not taken appropriate action to furnish the required information to the appellant. There was negligence in the PIO in dealing with the RTI application. The conduct of the FAA is also found lacking as he has not disposed of the first appeal as per the provisions of the RTI Act, 2005. The PIO is, therefore, directed to provide the requisite information to the appellant within 20 days from the issue of order as the information sought by the appellant is general in nature and does not fall in any of exception under section 8(1) of the RTI Act, 2005.

Hearing is adjourned to **November 18th, 2022.**

The PIO is directed to be present during the hearing on the above mentioned date.

Copy of this order be supplied to the parties.
