ORDER

The PIO is absent while the appellant present has submitted that he has not received any response from the PIO till date.

From perusal of relevant records, it is noted that no reply has been given to the appellant and that the hearing of the appeal was postponed twice due to non-attendance of the PIO during the hearing. To-day also he is not present to participate in the hearing despite being served the hearing notice well in time. No request has also been received from the PIO for postponement of the hearing. It is, therefore, not considered desirable to further postpone the hearing.

Commission takes grave exception to the continuous absence of the PIO during the hearing without intimating any reasons. Since the PIO is absent it cannot be ascertained as to whether any reply was given to the appellant or not. Under such circumstances, the onus is placed on the PIO provide the relevant information to the appellant. The PIO should note that any non-compliance of the commission's order will be viewed seriously and he may be penalised in the event of non-provisioning of the available information to the appellant.

In view of the above, the PIO is directed to provide the requisite information within period of 21 days from the date of issue of this order under intimation to the commission.

With the above observation and direction, the hearing is adjourned to 19-08-2022.

Copies of this order may be provided to the parties.
