ORDER

It transpired on record that this Complaint registered and numbered as APIC-83/2020 is the same Complaint lodged by the complainant before the Arunachal Pradesh Information Commission on the same date on 20.01.2020 which appears to have been mistakenly registered by the Registry as an appeal under sub-section (1) of Section-19 of the RTI Act, 2005 and numbered as APIC-79/2020. Having registered the complaint aforesaid in 2(two) cases, one as complaint case and another as a second appeal, the Registry processed both the case to the Commission for hearing and disposal.

Accordingly, both the cases came up before the Commission for the first time for hearing today on 01.10.2020. Shri Birendra Teli, appellant, and Er. Bhupen Tadar (AE) representative of the PIO are both present. Since both the cases, having been found analogous, are being taken today under a common hearing. During the course of hearing it has been found that all related records including the parties in both the cases, i.e, in APIC-79/2020 and APIC-83/2020 are same. More particularly, every contents of the complaint based on which APIC-79/2020 has been registered are the same contents of complaint based on which APIC-83/2020 has been registered. During the hearing Shri Birendra Teli, who happened to be appellant in APIC-79/2020 and complainant in APIC-83/2020, informed the Commission that he has lodged only one complaint but no such other complaint or appeal has ever been filed by him before the Commission.

Upon hearing the appellant/complainant and also after having careful consideration of the available materials on record I have arrived at a conclusion that the both cases have been mistakenly registered by the Registry of the Commission

thereby liable to be closed one from amongst the two. And accordingly, APIC-83/2020 is disposed off and closed.

Given under my hand and seal of this Court of the Commission on this 1st day October, 2020.
